At the annual school meeting in March, 1954 the District voted to purchase a new refrigerator for the school kitchen in appreciation for the good work done in carrying on the Lunch program and the many improvements made by the School Lunch Committee in the Washington Center School.

Our next piece of equipment to be replaced during the year was a new electric range. The money for this purchase was earned by sponsoring public suppers.

Both refrigerator and electric range were installed in time for the opening of the School Lunch Program at the beginning of the school year.

Our school is participating in the Special School Milk Program by serving $\frac{1}{2}$ pint milk at the morning recess. The state reimbursement for this milk is 4 cents a half pint.

ELSIE FLETCHER,
Chairman of School Lunch Fund.

General Report

I would like to repeat a statement made by Mr. Moody in his 1952 report. "It is always a pleasure to visit the Washington Center School." The cordial friendly greetings and goodbys one receives at the Center School are in direct contrast to the serious businesslike atmosphere of the larger units. The family-like performance of the children in carrying out their daily tasks in the learning process continues to make me feel that one who has not had the opportunity to attend a one-room school has lost a valuable life experience.

The success of any school is due, in a large measure, to the teacher. Washington is extremely fortunate in having Mrs. Vivian McClenning as the guiding light in its school. It seems to me that she is very successful in making school work a pleasure instead of a task. The

work is well organized and well performed and it would appear that your graduates would have little trouble with their high school work.

The work of Mrs. Fletcher and Mrs. Newman of the school lunch program should be commended. The School Board and interested citizens have joined them in various projects to make the program possible.

It has been a pleasure to work with the School Board, teachers and citizens of Washington and I deeply appreciate their cooperation and help.

Respectfully submitted,

NORMAN R. HARTFIEL,
Superintendent of Schools.
